

Programme for PRCD Industry Symposium on Biocidal Products

Shared Facilities Building, Backweston Laboratory Campus, Celbridge, Co Kildare
Thursday, 12th March 2020, 9.30am to 1.30pm

Target Audience:

Companies selling or intending on selling biocidal products in the future. This is targeted at those in the early stages of the process. If you want information on how to improve your applications to speed up the notification process, the next steps after notification to keep your product on the market, and understand the impact of Brexit to Biocides, REACH and PIC Regulations, you should attend this event.
