The screenshot shows the TRACES NT login page in a web browser. The browser's address bar displays the URL <https://webgate.ec.europa.eu/tracesnt/login>. The page header includes the European Commission logo, the TRACES logo, and the text 'TRAde Control and Expert System'. Navigation links for 'Documentation', 'FAQ', and 'Contact' are visible, along with a language dropdown set to 'English (English)' and a 'Log in' link. The main content area is titled 'TRACES Log In' and contains a central white box with the text: 'Please log in through the [EU Login](#) by clicking on the button below and follow instructions.' Below this text is a green button labeled 'Log into Traces'. Underneath the button, it says: 'If you cannot remember your password, you can [Reset your password](#) on EU Login.' To the right of this box is a section titled 'Do not have an account?' which contains the text: 'Sign up for Traces. Your request will be transmitted to Traces support.' and a link: '[How to create an EU Login account?](#)'. A red arrow points from the top of the page down to the 'Sign up for Traces' text. The footer contains the text: 'Last update: 2019 [Report a Problem](#) [Legal Notice](#) [Cookies](#) [Privacy statement](#) [Credits](#) [Contact](#) [Top Page](#)' and 'European Commission - DG Health & Food Safety.' Below that, it shows 'TRACES NT 4.2.7 (18/11/2019 20:53:17) - processed by TRACES-NT_PRODms41.' The Windows taskbar at the bottom shows the time as 19:35 on 01/12/2019.

Following Request for Authorisation

Operator (Business User) request:

- a) If this is the first user request to be linked to an Operator, then the Authority (e.g. Border Control Post) will grant authorisation.

- b) If this is the second or subsequent user request to be linked to the same Operator, then the first authorised user linked to that Operator authorises all additional request(s) themselves
